Prepare to embark on the final odyssey in *The Amory Wars* saga by Coheed & Cambria front man **Claudio Sanchez**.

Ryan has managed to evolve into a monstrous version of himself and is intent on decimating his enemies using his new power. Meanwhile, Chase is dying, clearly unable to handle the further effects of moving herself and Claudio through The Willing Well.

Claudio himself still hasn't been able to truly tap into his powers as The Crowing. And his parents, Coheed and Cambria, are increasingly losing themselves to their alter egos, Monstar and the White Ruineer, intent on killing each other and destroying Star IV.

As the Keywork emerges as the site of a massive battle, it seems like total annihilation is the only option for the universe!
